## **New Cubbies**

There are cubbies located in the kitchen in between the counter and the vending machine. The cubbies will be used as a new vehicle for communication to the groups from the board. There is an in-box for the board at the bottom right should you want to send a suggestion, question, or concern to the board. If you do not wish for all to potentially see what you put into the cubbie for the board, you can send an e-mail message to [board@southshorerecoveryclub.com](mailto:board@southshorerecoveryclub.com).

## **Annual Members Meeting**

This year's annual Members Meeting will be held on Saturday, April 20, 12 noon to 2:30 p.m. Lunch will be served at noon and will be followed by a short board meeting from 1-1:30 p.m., to approve the current board slate (see page 3) and update members on board

activities. The meeting will conclude with a speaker from 1:30-2:30 p.m. There will be a drawing for a pair of box tickets for an upcoming Orioles game to include parking. You must be present to win!

All South Shore members are encouraged to attend. Non-members may attend as well; however, they cannot vote on any issues. *Only members of the club are eligible for the drawing.*

## **Monthly Board Meetings**

All members and non-members of the club are invited to attend our monthly board meetings. The board meets on the second Monday of each month at 7 p.m. on Zoom. Come and learn about the goings on of the club and meet the board members. If you are interested in attending, please contact [Linda Plattner](mailto:Linda.Plattner@gmail.com) ([Linda.Plattner@gmail.com](mailto:Linda.Plattner@gmail.com), 443-254-8096).

### Security Cards

Security cards to enter the facility have been turned off for members who have not paid their 2024 membership dues. To reinstate your card, please put your dues in a collection envelope with your name and cell phone number. Membership is \$60/year.

### Building Improvements

With the support of Senator Gile and Delegate Bagnall, South Shore received a \$56K grant from the State of Maryland for several much-needed capital improvements to the building. These funds will be used for replacing the water purification system; replacing the roof, downspouts, and soffits; installing an ADA compliant bathroom; repainting the exterior of the building; and repairing or replacing the HVAC system if necessary.

### Group Celebrations

If your group celebrates one of your members' anniversaries or holds some other kind of celebration, please clean up afterward, both inside and outside of the building.

### Club Landscaping

The landscaping committee, led by John H. started work on the flower beds and other areas around the club on March 24. Planting will begin in a couple of weeks as weather permits. All gardeners are welcome. Thanks to those who joined us but were not available for the photo op.
