Dear Club Members,

First, thank you! Your contributions and donations over the last year have helped tremendously with keeping the club operational. Despite financial contributions made throughout this year, we continue to need monetary contributions to remain a safe and welcoming environment where 12 step meetings can take place.

To continue building the club's financial security and promoting fellowship, the Activities Committee of South Shore Recovery Club will be holding our second annual online auction. The online action will take place between November 29, 2021 through December 10, 2021. You can preview the site at <https://www.32auctions.com/SSRC2021>.

Last year, we raised over \$2100! In order to make this year's event as successful as last year, we need your help! There are three ways to help:

Here are a few examples of items that have been donated in the past:
